

CASTAIC LAKE

FISHING REPORT

WEEK ENDING: 6-11-17 WATER TEMPERATURE: 70

Fishing at Castaic is good right now . Stripers and bass have been boiling in the mornings
 for the first couple hours. The bluegill bite has been very good. Waxworms and
 meal worms are working best but small plastics and lures have been working good
 also. We are done with trout plants for the year. Catfish have been slow.
